“We are fortunate to have civil legal aid programs helping low-income families in Michigan. The important services they provide advance justice for all throughout our state.”

Hon. Elizabeth A. Weaver
Chief Justice, Michigan Supreme Court

“I ask all lawyers and judges, particularly those who provide pro bono services and financial contributions to legal aid agencies, to continue their critical assistance to those in need. I urge our entire profession to help increase resources for these fine programs through the Access to Justice Development Campaign.”

Alfred M. Butzbaugh
President, State Bar of Michigan

“The information in “Justice For All” illustrates the many ways legal aid organizations make a difference for thousands of persons who live in poverty. The Foundation is pleased to provide this report on the grants awarded to support these efforts.”
