IOLTA AT-A-GLANCE

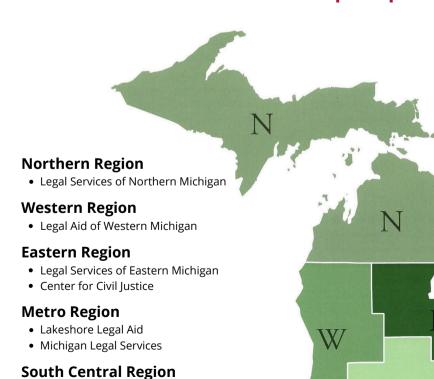

The Interest on Lawyers Trust
Accounts (IOLTA) is an innovative
way to increase access to justice and
to improve the justice system. In 1990,
the Michigan Supreme Court created
Michigan's IOLTA program. Under
Michigan Rules of Professional
Conduct Rule 1.15, Michigan lawyers
are required to deposit short-term or
nominal funds of clients and third
persons into IOLTA accounts.

Attorneys can make a significant impact by choosing a financial institution that pays a higher interest rate. Your choice can help provide justice for more people.

IOLTA funding supports civil legal aid for low-income people and work that helps improve the justice system.

• Michigan Advocacy Program/Legal Services

of South Central Michigan

Interest generated on IOLTA accounts is administered by the Michigan State Bar Foundation and is an important source of funding for civil legal aid to low-income individuals and families.
