Legal Aid Transforms Lives

“John”, an older tenant, contacted his local Legal Aid after discovering contaminated water in his apartment—at times black or sandy. Video evidence showed the issue was ongoing and affected others in the senior housing complex. Legal Aid contacted the landlord and provided documentation. In response, the

landlord took immediate action to restore clean water, resolving a serious health hazard and allowing the seniors to remain safely housed.

“Jasmine” contacted a Legal Aid office seeking assistance with the expungement of a misdemeanor conviction from nearly a decade ago. The conviction had prevented her from reentering her profession as a nurse’s aide. Legal Aid connected her with a pro bono attorney, who successfully secured the expungement removing a significant legal barrier and enabling her to resume her career in healthcare.
