

## Participating IOLTA Financial Institutions

Under Michigan Rules of Professional Conduct Rule 1.15, Michigan lawyers are required to deposit short-term or nominal funds of clients and third persons into IOLTA accounts. Interest generated on IOLTA accounts is paid to MSBF and is an important source of funding for civil legal aid to low-income individuals in Michigan. The Michigan State Bar Foundation maintains the current list of Eligible Financial Institutions.

For more information, contact the Michigan State Bar Foundation at (517) 346-6403 or IOLTA@msbf.org.

### Banking on Justice Campaign

Participating institutions demonstrate a commitment to civil legal aid by waiving all fees and paying a minimum net yield of either a flat rate of .5% or 75% of the Federal Funds Target Rate, whichever is higher. Please consider opening or moving your IOLTA account to one of these institutions below. Your account will earn significantly more interest and increase funding for civil legal aid throughout the state.
