*** Please summarize below why you would like to join the Fellows Program.**

I support the Foundation's mission to help improve the legal system by providing leadership and funding. I consider myself one of those leaders and as an attorney, we are ministers of justice and our mission is to serve the people of the state. The Foundation aligns with this mission by providing support and I would like to be apart of that. I would like to contribute my time, energy, finances and efforts to help better the legal system and support the legal community. I am willing to serve in any capacity that I am able to. Thank you for the opportunity.
