

Banking on Justice Campaign

MSBF's **Banking on Justice Campaign** recognizes financial institutions that pay 0.5% or 75% of the Federal Funds Target Rate, whichever is higher. This rate generally exceeds Michigan's IOLTA interest rate requirements and results in additional IOLTA revenue for the Foundation. Participating institutions are exempt from MSBF's compliance review and support community reinvestment and corporate social responsibility goals.

MSBF encourages the legal community to bank with participating Banking on Justice institutions.
